### WORK EXPERIENCE

---

#### Krispy Kreme

*Team Member*

Mississauga, ON

August 2019 – September 2019

- I had the responsibilities of working the drive-through and front showcases which required the ability to serve over 65 Krispy Kreme customers daily with professional and effective customer service.
- I had to restock the front showcases each time they were low, refill the milk coolers, clean the coffee machines, take customer orders, hand out change as well as the orders, clean the showcases, and pre-box doughnuts.
- Through this work experience I was able to adjust to a fast paced, rapidly changing environment while also trying to engage and hold onto conversations with the valuable Krispy Kreme customers.
